

**RILIEVO QUOTATO  
CURVE DI LIVELLO**

The drawing shows a road network with a highlighted yellow route. Key features include:

- Elevation Points:** Numerous numerical values indicating elevations at various points along the route and surrounding areas.
- Labels:**
  - Guard Raid:** A label pointing to a specific location on the route.
  - Pozzetto Fognatura Comunale:** Labels for public sewerage manholes.
  - S.R. 5:** A label for a specific road or section.
- Other Markings:**
  - 1642.35:** A high elevation point at the start of the route.
  - 1639.67:** A series of elevation points along the initial curve.
  - 1621.65:** An elevation point near the 'Guard Raid' label.
  - 1619.42:** An elevation point at the end of the highlighted route.
